

SOLIDWORKS License Modification	Document	CS_SWX_TECH_007
	Number	
	Revision	00
	Date	31/08/2021

## Step 1:

If you are currently using a standalone SOLIDWORKS license and changing to a different standalone serial number, or changing to a network license serial number, first launch SOLIDWORKS and from the Help menu select "Deactivate License". This step is not necessary if you are changing from a network license serial number to a standalone serial number. Kindly refer document number *CS\_SWX\_TECH\_007* for SOLIDWORKS License Deactivation

### Step 2:

If using Windows 10, go to go to **Settings** and then **Apps & Features**. If using Windows 7, go to the **Windows Control Panel** and launch **Programs and Features**.

## Step 3:

From the list of installed programs find the SOLIDWORKS installation, select it and click **Modify**. (If using Windows 7 select the SOLIDWORKS installation and click **Change**)

*Please Note:* if the only option available is, **Uninstall**, then SOLIDWORKS was installed using an Administrative Image and a different procedure should be followed. Have your IT administrator contact your SOLIDWORKS Value Added Reseller for further instructions
